**Scientific proposal:**

11

**Describe the particle theory research expected to be undertaken during the fellowship. Be sure to explain the fundamental questions addressed by the research, as well as how the research impacts the IPP scientific program, if applicable.**

12

**Describe how the fellowship will enhance the applicant's research and career.**

## Budget and Justification

### Notes:

- Complete a budget projection for the exchange below with costs delineated. Include any quotes available (airfare etc.) to support the budgeted amount. The maximum budget is CAD\$10,000.
- Eligible expenses include round trip travel costs (lowest economy fare) and incremental subsistence costs if the location of the exchange is at a higher cost of living and the costs are justified below.
- During the exchange, additional costs incurred (up to 20% above the awarded amount) may be covered by the IPP with appropriate justification and copies of receipts.
